

# EVACUATION INSTRUCTIONS

## Santa Cruz Village floor 1

**If you hear a fire alarm, feel doors for heat:**

### If warm

- Do not open door
- Place a blanket or towel at the base of the door
- Report your situation by calling 911
- Stay where you are and proceed to an exterior window and call for help

### If normal temperature:

- Open the door slowly
- Leave and close the door
- Follow the safest exit route

### Fire / Exposion

- Activate the nearest fire alarm and call 911
- Close your doors to contain the fire
- Go to the safest evacuation point

**In the event of an earthquake:**

- Duck, Cover and Hold
- Keep away from windows
- After the shaking stops, go to the designated evacuation point
- BE PREPARED FOR AFTERSHOCKS

### Shelter in Place

- Stay in building
- Close and lock windows and doors
- Move to an interior room away from windows
- Do not use elevators
- Remain in the shelter until emergency personnel notifies you otherwise
