

SAFETY MAP EMERGENCY PROCEDURE FLIP BOOK / QUICK REFERENCE GUIDE

Emergencies are unexpected, unpredictable, and take many forms. No one can be fully prepared for everything that may happen, but some simple measures are helpful in any emergency.

- Think of everyone's safety first
- Use common sense and training
- Act quickly and calmly
- Be factual and unemotional with students and the community

For many kinds of emergencies, timesaving preparations can be made. Knowing who to call or where to go can save time, property and lives. This flip book is intended as a practical guide for what to do in a variety of emergencies.
